

Participant Informal Evaluation

After the first six weeks of faith sharing, those who are taking part in small communities evaluate informally. Hopefully we can learn something that will be helpful for the next six weeks of Longing for the Holy.

For the Small Groups

*We suggest that in Session 6 the small community leaders ask the group,
“In your experience of these past six weeks, what would you say went well?
In your experience of these past six weeks, what would you like to see changed?”*

This feedback will be brought to the Longing for the Holy Planning Team meeting that will be scheduled after Session 6.

What went well?

What would you like to see changed?

Participant Formal Evaluation

To Parish Coordinator and Planning Team

After Session 10, we encourage you to give copies of this form to the leaders of your small Christian communities, who will distribute them during Session 11. A summary of their input will be helpful for future planning. Hopefully, through your pastoring of small community leaders, you have heard what people are experiencing.

To All Small Community Leaders

We suggest in Session 11, you distribute copies of this handout to participants of your small communities, asking them to complete the form and bring it back to Session 12, where you will take time to listen to their reflections. Later, you will summarize this feedback on a separate sheet and bring it to the Longing for the Holy Planning Team meeting which will be scheduled after Session 12.
